

PlanetMark
Certified Business

We are Planet Mark Certified

Year 1.

This is to certify that Mayflower Washroom Solutions has achieved the Planet Mark by reporting its carbon footprint and engaging its stakeholders.

Valid to: 28 February 2023

Measure

790.1 tCO₂e
Total carbon footprint.

6.4 tCO₂e
Total carbon footprint per employee.

£39,844
Total Social Value.

We are committed to reducing our carbon emissions yearly so that together we can all halt climate change.

Reporting Boundary: Woolwich, Manchester, Swindon and Glasgow sites

Emission sources: Electricity, T&D Losses, Natural Gas, Water, Waste, Fleet, Business Travel, Paper, Courier-Freight, Homeworking (excluded from footprint)

Reporting Period: 01 Dec 2020 - 30 Nov 2021

Engage

123
FTE employees.
We engage our employees and wider stakeholders to unlock their talent and knowledge to drive year on year progress in sustainability.

Communicate

5
Sustainable Development Goals.
We recognise that transparent communication is essential for transformational change and we quantifiably contribute to 5 SDG's.

Empowering change for a brighter future.
The Planet Mark is a sustainability certification for every type of organisation, for products and real estate. Our certification recognises continuous improvement, encourages action and builds an empowered community of like-minded individuals who make a world of difference.
